PART XLVII GENERAL

Notification No. 11358-G-46/38939, dated the 29th October 1946

1. It is hereby notified that the holidays enumerated in the annexed schedule as holidays to be observed in public offices under the Punjab Government during the year 1947 shall further be public holidays within the meaning of section 25 of the Negotiable Instruments Act, 1881.

2. These holidays should be given to all Government servants, subject to the condition that it should be open to the head of an office to stop a holiday notified under the Act in the case of any individual guilty of idleness or inattention to duty, unless the day in question is deemed specially sacred by the members of the religion which the offender professes.

3. Those holidays which have been set down may be granted as sectional holidays to the communities affected, whenever the state of work makes this possible. Heads of offices may also subject to the condition that there are no arrears of work, permit the last Saturday of every month to be observed as a holiday in the English and Vernacular offices. It should not, however, ordinarily be granted in the cold weather, i.e., October to March inclusive, and treasuries will not close on days on which the Civil Courts remain open. All establishments should be allowed, subject to the condition laid down in the case of public holidays under the Negotiable Instruments Act, 1881, to take full advantage of holidays.

4. This notification does not apply to holidays to be observed by the High Court and the Civil Courts subordinate thereto or to Government servants in educational institutions, which are governed by special instructions issued by the Punjab Government in the Education Department or (in the case of industrial schools and institutions) in the Department of Industries and Labour.
